Provided by ACAC

The tutor John Harding

Terracotta clay for your maquette

Other sculpting tools and materials

Grey cement, accelerator

Chicken wire

Potting mix for adding to concrete for the hypertufa effect

Tea, coffee, hot chocolate, biscuits.

Please bring

A spritzer for water

A trestle table / platform / box to work from

A large tarp – big enough to cover your working area underneath your table

Rubber gloves – cement is very hard on the skin

Cotton rags to keep your sculpture damp and for your hands

An old bucket for your concrete – one of those bendy sorts, 3 times as big as a normal bucket is ideal

Another normal sized bucket for water

A lot of old newspapers for stuffing your wire shape with, prior to applying the concrete

Wooden sticks to stir your concrete in your bucket

something to share for lunch.

I understand and accept the above terms and conditions.
